Professional Registry Services debuts during National Cancer Registrars Week....

We are a top-of-the-line registry service that ensures quality in your cancer program integrating four key elements...

- Regulatory Standards
- Database Management
- Professional Staff
- Cancer Information

Visit us at www.ProRegistryServices.com to learn more about our consulting, training & staff development and cancer registry services.

Celebrating National Cancer Registrars Week!!

Professional Registry Services would like to recognize all cancer registrars and the important work that is accomplished each and every day. Your daily commitment to quality data collection leads to improved patient outcomes and one step closer to our ultimate goal of curing this disease.

Celebrate this week and take time to recognize your accomplishments. Welcome the challenges as they are essential to growth and progress.

Stop by and say hello to me - Joyce Jones at the "State Basket Raffle Area" of the 36th Annual NCRA Conference in Palm Springs, CA April 20-23rd.

Sincerely,
Joyce L. Jones, CTR
